Here is important information about what you will need to register your newly purchased vehicle.

## **PLATES**

*New Plates* – If you are planning to get new plates, you have choices. Please visit [NH Plate Types](#) to decide on the plates you want. If you are getting a vanity plate, please use the state plate lookup to determine if your choice is currently available by visiting [NH Plate Lookup](#). You can save time by filling out the [DMV Application for Initial Plates](#) prior to your visit.

*Transferring Plates* – You can transfer plates from another vehicle if the primary owner of the old and the new vehicle is **the same**.
